

Purina® Farm to Flock® Hen Treats Protein Blend for Hens

NEW!

Spoil Your Hens, Not Their Diet.

Purina® Farm to Flock® Hen Treats Protein Blend for Hens is a balanced recipe made with goodies like wheat, safflower, peas, papaya, pumpkin seeds and black soldier fly larvae.

High-protein treat

Specially formulated high-protein nugget that provides an added nutritional boost to help keep birds strong; a great treat option especially during molt when birds need additional protein.

Sustainable protein source

Insect protein requires less land per pound of protein than other common protein sources.

Delicious taste

Wholesome combination of scrumptious goodies.

Large, front package window

Smile-shaped window shows the whole ingredient variety.

Quality in-store merchandising

Stand-up, resealable pouch that displays well on shelf.

Brought to you by an American farmer-owned company

that puts your ladies' health and happiness first.

FEEDING DIRECTIONS

Feed as a treat to adult hens (18+ weeks of age or older) up to 2 tablespoons per bird daily. Feed along with a complete and balanced Purina® Poultry diet. No more than 10% of the daily diet should come from Farm to Flock® Hen Treats.
