Ingredients

Ground Corn, Dehydrated Alfalfa Meal, Wheat Middlings, Dehulled Soybean Meal, Ground Soybean Hulls, Dicalcium Phosphate, Calcium Carbonate, Fish Meal, Soybean Oil, Cane Molasses, Salt, Lignin Sulfonate, Yeast Culture, Choline Chloride, DL-Methionine, Vitamin D3 Supplement, Vitamin A Supplement, DL-Alpha-Tocopherol Acetate (Vitamin E), Biotin, Pyridoxine Hydrochloride, Menadione Sodium Bisulfite Complex (Vitamin K), Folic Acid, Manganous Oxide, Zinc Oxide, Thiamine Mononitrate, Preserved with Mixed Tocopherols, Calcium Pantothenate, Riboflavin Supplement, Nicotinic Acid, Ferrous Carbonate, Copper Sulfate, Rosemary Extract, Vitamin B12 Supplement, Citric Acid (a Preservative), Zinc Sulfate, Calcium Iodate, Manganese Proteinate, Zinc Proteinate, Sodium Selenite, Cobalt Carbonate, Copper Proteinate.

Feeding Directions

- Feed free choice to ostriches, from 3 months of age to breeding.
 - By 10 months of age, ostriches should be 75% of adult body weight.
- Always provide plenty of fresh, clean water.
- Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals.
- This diet is not for human consumption.

Storage Conditions

For best results, reseal the bag between uses or store contents of open paper sack in container with sealing lid. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Do not offer moldy or insect-infested feed to animals as it may result in illness, performance loss or death. Freezing will not harm the diet and may extend freshness. Use within 1 year of bag manufacturing or "Best if Used By" date.
