

Pigeon Checkers[®] Diet

Mazuri[®] Pigeon Checkers[®] Diet supports your pigeons' body and feather condition. This scientifically formulated, pelleted feed is designed especially for pigeons. It supports production, growth, and maintenance with no added supplementation required.

Features and Benefits

- **Saves time and labor** – No mixing or supplementation required.
- **Uniform nutrition you can trust** – The combination of nutrients right for your bird.
- **Optimal digestibility** – The pelleting process breaks down grain components, promoting digestibility.
- **Economical** – Pellets help minimize dust and waste, helping to save money.

Product Form & Packaging

Catalog #3007735-206 | Pellet | 1/8" x 1/4 - 1/2" | 50 lb. (22.67 kg) net weight woven poly bag

Guaranteed Analysis

Crude protein not less than	15.00%	Calcium not more than	1.25%

Calcium not less than	0.75%		

Ingredients

Ground Corn, Wheat Middlings, Dehulled Soybean Meal, Cane Molasses, Corn Distillers Dried Grains with Solubles, Calcium Carbonate, Salt, Calcium Propionate (a Preservative), Monocalcium Phosphate, Dicalcium Phosphate, Choline Chloride, Lignin Sulfonate, Vitamin E Supplement, Vitamin A Acetate, Ferrous Sulfate, Menadione Sodium Bisulfite Complex (Vitamin K), Pyridoxine Hydrochloride, Vitamin B12 Supplement, Riboflavin-5-Phosphate, Calcium Pantothenate, Manganous Oxide, Zinc Oxide, Nicotinic Acid, Folic Acid, Copper Sulfate, Cholecalciferol (Vitamin D3), Sodium Selenite, Biotin, Ethylenediamine Dihydroiodide, Colored with Iron Oxide, Thiamine Mononitrate, Cobalt Carbonate, Manganese Sulfate, Zinc Sulfate, Basic Copper Chloride.

Feeding Directions

- Feed as complete ration to pigeons.
- Always provide plenty of fresh, clean water.
- Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals.
- This diet is not for human consumption.

Storage Conditions

For best results, reseal the bag between uses or store contents of open paper sack in container with sealing lid. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Do not offer moldy or insect-infested feed to animals as it may result in illness, performance loss or death. Freezing will not harm the diet and may extend freshness. Use within 1 year of bag manufacturing or "Best if Used By" date.
