

## Aquatic Gel Diet for Omnivorous Fish

Mazuri® Aquatic Gel Diet for Omnivorous Fish is formulated to meet the nutritional requirements of omnivorous fish. This diet is shipped as a powder that is designed to be made into a gel prior to feeding.

### Features and Benefits

- **Soft, moist texture of gel** – More palatable to fish which are difficult to feed.
- **Contains all vitamins and trace minerals known to be required for fish.**
- **Contains probiotics** – To support gastrointestinal and skin health in fish.
- **Low starch formula** – More closely replicates wild-type diets.
- **Multiple, sustainable fish meal sources used.**

### Product Form & Packaging

Catalog #1815252-409 | Dry Powder | Order by the kg.

### Guaranteed Analysis (dry powder)

Crude protein not less than .....	39.00%	Calcium not more than.....	2.75%
Crude fat not less than .....	11.00%	Phosphorus not less than .....	1.00%
Crude fiber not more than.....	6.00%	Sodium not more than .....	1.50%
Moisture not more than .....	10.00%	Sulfur not more than.....	0.60%
Ash not more than .....	17.50%	Selenium (added) not more than.....	0.50 mg/kg
Calcium not less than .....	2.25%	Selenium (added) not more than.....	0.60 mg/kg

### Ingredients

Menhaden Meal, Salmon Meal, Carrot Powder, Ground Soybean Hulls, Gelatin, Spinach Powder, Shrimp Meal, Fish Oil, Spirulina Algae Meal, Salt, Soybean Oil, Dried Kelp, Potassium Chloride, Anhydrous Betaine, DL-Methionine, L-Threonine, Xanthan Gum, L-Ascorbyl-2-Polyphosphate (Vitamin C), Choline Chloride, Dried Lactobacillus acidophilus Fermentation Product, Dried Lactobacillus casei Fermentation Product, Zinc Methionine Hydroxy Analogue Chelate, Dried Bifidobacterium thermophilum Fermentation Product, Manganese Methionine Hydroxy Analogue Chelate, Dried Enterococcus faecium Fermentation Product, Calcium Carbonate, Inositol, Preserved with Mixed Tocopherols, Calcium Iodate, D-Alpha Tocopheryl Acetate (Vitamin E), Nicotinic Acid, Citric Acid (a Preservative), Pyridoxine Hydrochloride, Thiamine Mononitrate, Calcium Pantothenate, Riboflavin-5-Phosphate, Canthaxanthin (color), Basic Copper Chloride, Menadione Sodium Bisulfite Complex (Vitamin K), Beta Carotene, Ferrous Sulfate, Folic Acid, Vitamin A Acetate, Rosemary Extract, Sodium Selenite, Biotin, Cholecalciferol (Vitamin D3), Vitamin B12 Supplement.

### Feeding Directions

NEVER FEED DRY PRODUCT.

- Combine by weight 60% boiling water and 40% Mazuri® gel powder. Adjust ratios to desired texture and need.
  - Mix fully, pour into shallow pan. Refrigerate until firm. Cut to desired size and feed.
- Intake of up to 50% prepared Mazuri® gel is recommended.
- Always provide plenty of fresh, clean water.
- Prepared gel should be consumed or discarded within 24 hours or stored no longer than 7 days under refrigeration or up to 1 month frozen. If frozen, it is recommended that frozen batches be individually sealed in amount of usage, as repeated entry into the container exposes gel to oxygen.
- Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals. This diet is not for human consumption.

**Caution: Follow label directions: Feeding added selenium at levels in excess of 0.3 ppm in total diet is prohibited.**

### Storage Conditions

Mazuri® Gel Diets have a 1-year shelf life in the dry powder form when stored in a dry environment. For best results, tightly affix lid on canister after removal of desired dosage or store contents of open bags in container with sealing lid. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death. The mixed product should be stored under refrigeration for no longer than 7 days or frozen for up to 1 month. It is recommended that frozen batches be individually sealed in amount of usage, as repeated entry into the container exposes gel to oxygen. Once this product is mixed, it should be handled like raw food.
