(Available at www.mazuri.com or through a Mazuri[®] retailer.)

Formula Code – 5B31

Description

Mazuri[®] Wild Carnivore[®] - Senior Supplement is formulated to add additional nutrients senior carnivores may need to the already balanced raw meat diets fed to wild species of carnivores under managed care. This supplement is not intended to provide 100% of the vitamins, minerals or other nutrients that are required by wild exotic carnivores.

Features and Benefits

- **Tested palatability** - Accepted by numerous captive carnivores; cheetah, tigers, lions, etc.
- **Contains cellulose** - An excellent source of fiber.
- **Balanced minerals** - To promote optimal urinary pH in adult and geriatric exotic carnivores and reduce kidney burden¹.
- **Added antioxidants** - Vitamin E, vitamin C, beta-carotene, demonstrated to improve oxidative status on cats with renal insufficiency².

Storage Conditions

For best results, tightly affix lid on container after removal of required dosage. Store in original container in a cool (75°F or colder), dry (approximately 50% RH) location. Freezing will not harm the diet and may extend freshness. Use within 1 year of manufactured date.

¹ Based on the latest ingredient analysis information. Since nutrient composition of natural ingredients varies, analyses will vary accordingly.
