

Mazuri® Marine Mammal Supplement with Lutein & Grape Seed Extract

(Available at www.mazuri.com or through a Mazuri® retailer)

Formula Code – 5B43

Description

Mazuri® Marine Mammal Supplement is formulated for fish-eating mammals to provide vitamins depleted in frozen fish in a convenient tablet form.

Features & Benefits

- **Contains lutein** – a carotenoid pigment & antioxidant to help support eye health
- **Contains grape seed extract** – source of polyphenolic antioxidants to help support animal health
- **No added vitamin A** – designed to be fed with whole fish
- **Tablet dosing by animal body weight** – for more efficient supplementation of larger marine mammals

Product Form

1.5 g tablet; oval shaped and scored in the middle for easy splitting.

- Bottle: 400 tablets per bottle
- Case: 6 bottles per case

Thiamine, min.....	150 mg	Biotin, min.....	0.1 mg
Riboflavin, min.....	2.5 mg	Lutein, min.....	12 mg
Pantothenic Acid, min.....	5.0 mg		

Additional Ingredients (Per Tablet)

Grape Seed Extract, min.....75 mg

Ingredients

Dextrose, Thiamine Mononitrate, DL-Alpha Tocopheryl Acetate (Vitamin E), Grape Seed Extract, Glucose Syrup, Maltodextrin, Shellac, Diacetylated Monoglyceride, Tagetes (Aztec Marigold) Extract (Color), Magnesium Stearate, Corn Oil, Silicon Dioxide, Calcium Pantothenate, Sodium Ascorbate, Nicotinic Acid, Riboflavin Supplement, Pyridoxine Hydrochloride, DL-Alpha Tocopherol, Folic Acid, Menadione Sodium Bisulfite Complex (Vitamin K), Biotin.

Feeding Directions

Feed by placing tablet into the food (fish or shellfish). Feed within 12 hours. Supplement according to body weight of the marine mammal:

Body weight	Tablets/day	Common examples in weight ranges*
0-150 kg	2	Juvenile seals & sea lions, female fur seals, California sea lions, harbor seals
150-300 kg	4	Bottlenose dolphins, grey seals, male fur seals, male California sea lions, female Steller sea lions
300-500 kg	6	Juvenile walruses, male Steller sea lions
500-1,000 kg	8	Beluga whales, intact male Steller sea lions, female walruses
1,000-1,500 kg	10	Male walruses
1,500-2,200 kg	12	Orcas

*Juveniles will change in weight over time and adult weight may vary with environment, life stage, and management. Tablet dosing should be adjusted accordingly.

Storage Conditions

- Keep lid tightly closed after removing the required amount.
- Store in original container in a cool (75°F or colder), dry (approximately 50% RH) location.

Ingredients cause tablets to have a speckled appearance. Coating on tablets may become speckled with exposure to air – this is not indicative of any vitamin degradation.
