

# Marine Mammal Supplement with Lutein & Grape Seed Extract

Mazuri® Marine Mammal Supplement with Lutein & Grape Seed Extract is formulated for fish-eating mammals to provide vitamins depleted in whole, frozen fish in a convenient tablet form.

## Features and Benefits

- **Contains lutein** – A carotenoid pigment & antioxidant to help support eye health.
- **Contains grape seed extract** – Source of polyphenolic antioxidants to help support animal health.
- **No added vitamin A** – Designed to be fed with whole fish.
- **Tablet dosing by animal body weight** – Allows for more efficient supplementation of larger, marine mammals.

## Product Form & Packaging

1.5 g tablet | Oval shape, scored in the middle for easy splitting

- **1814984-345** | Bottle - 600 g (approx. 400 tablets) per bottle
- **1814984-346** | Case - 6 bottles per case

## Feeding Directions

- Feed by placing the tablet into the food (fish or shellfish). This tablet is designed to be fed with whole fish.
  - Feed within 12 hours.
- Supplement according to body weight of the marine mammal:

Body weight	Tablets/day	Common examples in weight ranges*
<b>0-150 kg</b>	2	Juvenile seals & sea lions, female fur seals, California sea lions, harbor seals
<b>150-300 kg</b>	4	Bottlenose dolphins, grey seals, male fur seals, male California sea lions, female Stellar sea lion
<b>300-500 kg</b>	6	Juvenile walruses, male Stellar sea lions
<b>500-1,000 kg</b>	8	Beluga whales, intact male Stellar sea lions, female walruses
<b>1,000-1,500 kg</b>	10	Male walruses
<b>1,500-2,200 kg</b>	12	Orcas

\*Juveniles will change in weight over time and adult weight may vary with environment, life stage, and management. Tablet dosing should be adjusted accordingly.

- Always provide plenty of fresh, clean water. Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals.
- This supplement is not for human consumption.

## Storage Conditions

Keep lip tightly closed after removing required amount. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Use within 1 year of bag manufacturing or "Best if Used By" date.

**Ingredients cause tablets to have a speckled appearance. Coating on tablets may become speckled with exposure to air – this is not indicative of any vitamin degradation.**
