Guaranteed Analysis (per tablet)

Moisture not more than 1%
Lutein not less than 30 mg

Ingredients

Microcrystalline Cellulose, Dextrose, Glucose Syrup, Tagetes (Aztec Marigold) Extract (Color), Maltodextrin, Shellac, Diacetylated Monoglyceride, Sodium Ascorbate, Magnesium Stearate, Corn Oil, Silicon Dioxide, DL-Alpha Tocopherol.

Feeding Directions

- Feed the number of tablets required to achieve lutein amount recommended by veterinarian or nutritionist. Feed by placing the tablet into the food (fish or shellfish).
 - Feed within 12 hours.
- Always provide plenty of fresh, clean water.
- Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals.
- This supplement is not for human consumption.

Storage Conditions

Keep lip tightly closed after removing required amount. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Use within 1 year of bag manufacturing or "Best if Used By" date.

Ingredients cause tablets to have a speckled appearance. Coating on tablets may become speckled with exposure to air – this is not indicative of any vitamin degradation.
