Ingredients

Dextrose, Choline Bitartrate, Microcrystalline Cellulose, Brewers Dried Yeast, DL-Alpha Tocopherol Acetate (Vitamin E), Thiamine Mononitrate, Ferrous Sulfate, Shellac, Diacetylated Monoglyceride, Maltodextrin, Nicotinic Acid, Zinc Oxide, Magnesium Stearate, Silicon Dioxide, Corn Oil, Menadione Sodium Bisulfite Complex (Vitamin K), Calcium Pantothenate, Copper Sulfate, Riboflavin Supplement, Manganous Oxide, Pyridoxine Hydrochloride, Calcium Iodate, Folic Acid, Biotin, Vitamin B12 Supplement, Vitamin D3 Supplement.

Feeding Directions

Feed 1 tablet per 1 lb. (0.45 kg) of fish or shellfish by placing the tablet into the food.
Feed within 12 hours.

Storage Conditions

- Keep lid tightly closed after removing the required amount.
- Store in original container in a cool (75°F or colder), dry (approximately 50% RH) location.

Ingredients cause tablets to have a speckled appearance. Coating on tablets may become speckled with exposure to air – this is not indicative of any vitamin degradation.
