- **Formulated without pea, soy, wheat, or corn grains.**
- **Contains probiotics** – To support healthy digestion.
- **Includes Yucca schidigera extract** – Shown to reduce waste odor*
- **Contains sources of Omega-3 fatty acids.**
- **No added colors or artificial flavors.**

Product Form & Packaging

Extruded Particle | 5/32" x 3/8"

- **Catalog #3010189-703** | 25 lb. (11.33 kg) net weight paper w/poly bag
- **Catalog #3010189-245** | 5 lb. (2.26 kg) net weight resealable poly bag
- **Catalog #3010189-246** | Case: 6 x 5 lb. net weight resealable poly bags

Guaranteed Analysis

Crude protein not less than.....	40.00%	Selenium not less than.....	0.85 mg/kg
Crude fat not less than.....	20.00%	Selenium not more than.....	1.02 mg/kg
Crude fiber not more than.....	4.00%	Vitamin E not less than.....	425 IU/kg
Moisture not more than.....	12.00%	Omega-3 fatty acids not less than.....	0.30%
Ash not more than.....	8.90%	Taurine not less than.....	0.25%
Sodium not more than.....	0.78%		
Total Microorganisms not less than.....			270,000 CFU/g

(Lactobacillus acidophilus, Lactobacillus casei, Bifidobacterium thermophilum, Enterococcus faecium)*

*Contains a source of live (viable) naturally occurring microorganisms.

Ingredients

Chicken Meal, Rice Flour, Poultry Fat Preserved with Mixed Tocopherols, Spray Dried Animal Blood Cells, Porcine Meat and Bone Meal, Fish Meal, Dried Plain Beet Pulp, Brewers Dried Yeast, Natural Poultry Flavor, Phosphoric Acid, Salt, Fish Oil, Calcium Propionate (a Preservative), Taurine, Lactose, Choline Chloride, Pyridoxine Hydrochloride, Preserved with Mixed Tocopherols, Thiamine Mononitrate, DL-Methionine, Dried Lactobacillus acidophilus Fermentation Product, d-Alpha Tocopheryl Acetate (Vitamin E), Rosemary Extract, Zinc Methionine Complex, Dried Lactobacillus casei Fermentation Product, Dried Bifidobacterium thermophilum Fermentation Product, Vitamin A Acetate, Cholecalciferol (Vitamin D3), Dried Enterococcus faecium Fermentation Product, Yucca schidigera Extract, Menadione Sodium Bisulfite Complex (Vitamin K), Folic Acid, Calcium Carbonate, Vitamin B12 Supplement, Zinc Amino Acid Complex, Calcium Pantothenate, Riboflavin-5-Phosphate, Manganese Amino Acid Complex, Manganous Oxide, Nicotinic Acid (Niacin), Copper Amino Acid Complex, Zinc Oxide, Ferrous Carbonate, Cobalt Glucoheptonate, Calcium Iodate, Copper Sulfate, L-Lysine, Basic Copper Chloride, Zinc Sulfate, Cobalt Carbonate, Sodium Selenite, Biotin.

Feeding Directions

- Feed free-choice to young or adult ferrets.
- Adult ferrets weighting 2 – 4 lbs. will typically eat 6% of their body weight per day (1/2 – 3/4 cup) or up to 7% of their body weight for breeding or lactating females (3/4 – 1 cup).
- Always provide plenty of fresh, clean water. Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling pets.
- This diet is not for human consumption.

Storage Conditions

For best results, reseal the bag between uses or store contents of open paper sack in container with sealing lid. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Do not offer moldy or insect-infested feed to animals as it may result in illness, performance loss or death. Freezing will not harm the diet and may extend freshness. Use within 1 year of bag manufacturing or "Best if Used By" date.

* Headon, D.R. and K.A. Dawson, 1990. Yucca extract controls atmospheric ammonia levels. Feedstuffs. 62:15-16.
